Judges

The Court orders that the December 27, 2005 order and January 3, 2006 amended order of the Family Division of the Allegan Circuit Court denying appellant's petition for waiver of parental consent for an abortion are REVERSED and VACATED and appellant's petition for waiver of parental consent is GRANTED. Upon review of the entire record, the Court is persuaded that appellant met her burden of establishing that she is sufficiently mature and well enough informed to make the decision regarding an abortion independently of her parents and that the waiver would be in the best interests of the minor. This order shall serve as the order granting waiver of parental consent required by the Parental Rights Restoration Act, MCL 722.901 *et seq.*, and shall remain valid for 90 days from the date of the Clerk's certification of this order. MCR 3.615(K)(1). The Clerk shall provide appellant or appellant's attorney with two certified copies of this order. Nothing in this order shall require or permit an abortion otherwise prohibited by law.
